Senior Float-Beach Party

Floats were almost lost as a tradition this year, but with only two weeks before Homecoming, the class officers decided to let the tradition live on — the overall theme being movies.

With very limited time, the Freshmen Class with their theme "Blue Hawaii", displayed a great float which captured the first place trophy. The sophomore's theme was "Temple of Doom" and the Junior Class did "Back to the Future." The seniors had lots of fun with "Beach Party"!

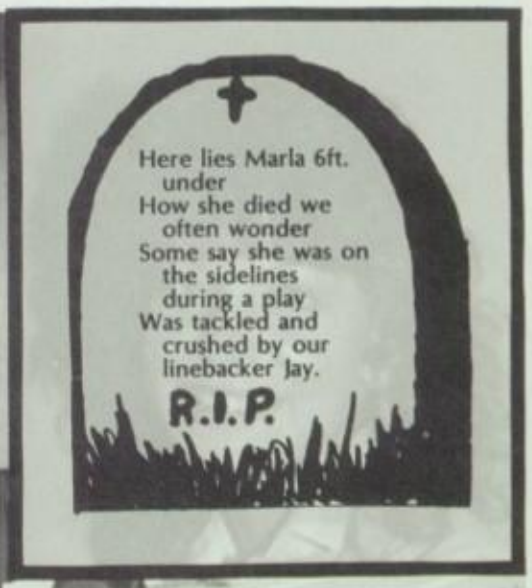
"The Class of
'86"
The most recent
year
has passed so fast.
It's hard to believe
it is our last.

Here it is
upon us all.
And down our
cheeks
the tears will fall.

The times we'll
miss;
they were the
best.
Our Senior year
and all the rest.

So, farewell my
friends,
Good luck to all.
Class of '86
Keep walking tall.



Here lies Marla 6ft.

How she died we
often wonder
Some say she was on
the sidelines
during a play
Was tackled and
crushed by our
linebacker Jay.

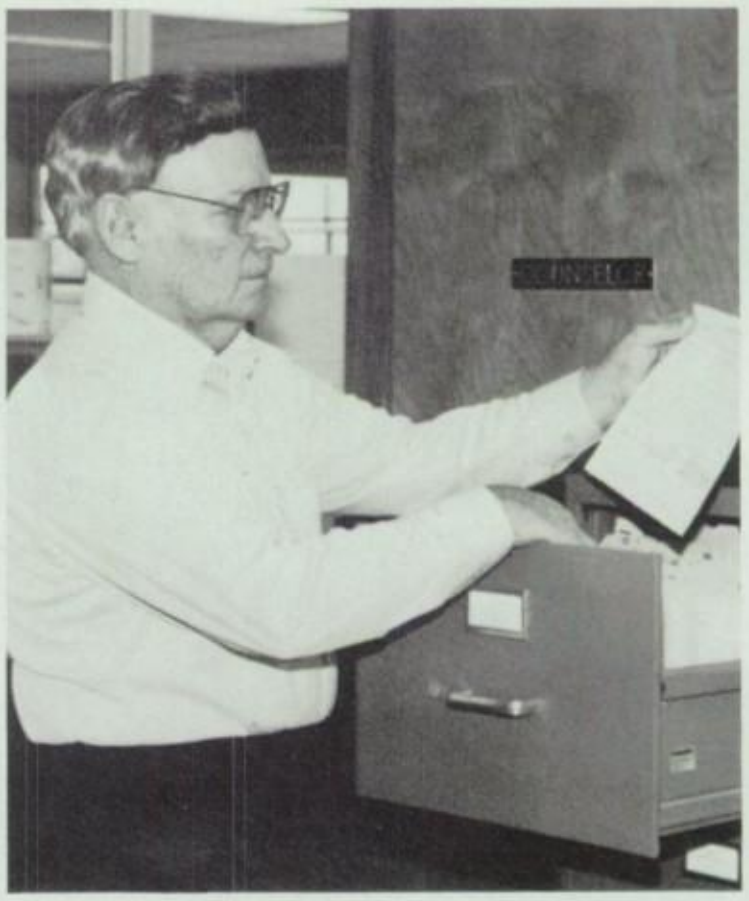
ONE OF A KIND JR-HIGH CHOIR

do re mi



Mr. M.W. Murr, the counselor at Newcastle High School since 1975, is retiring this year after ten years of service to our student body.

Mr. Murr plans to play a lot of golf, make some improvements around his home, pastor a small church, and generally keep busy during his retirement.

When asked what he considers his greatest achievement while at Newcastle, Mr. Murr said,

"If I have helped any students set their goals and accomplish them, then I feel I have been a success."

The faculty and students of Newcastle High School want to wish Mr. Murr the very best in his retirement, with continued health and success.

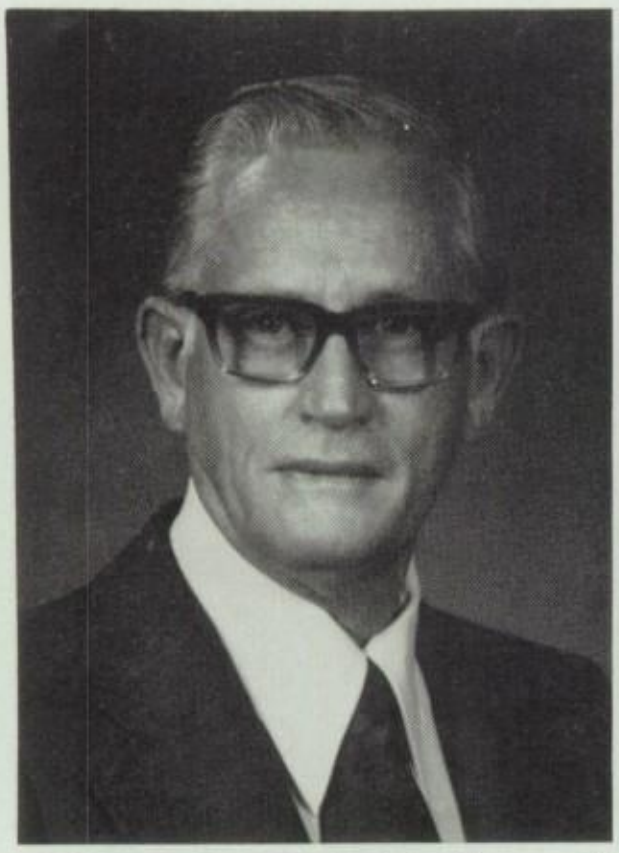
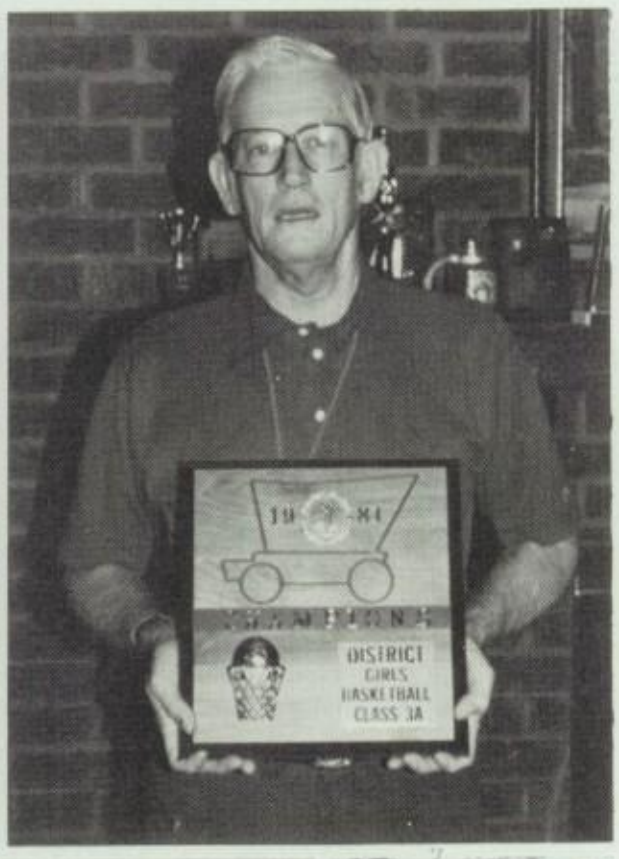
IN TIME

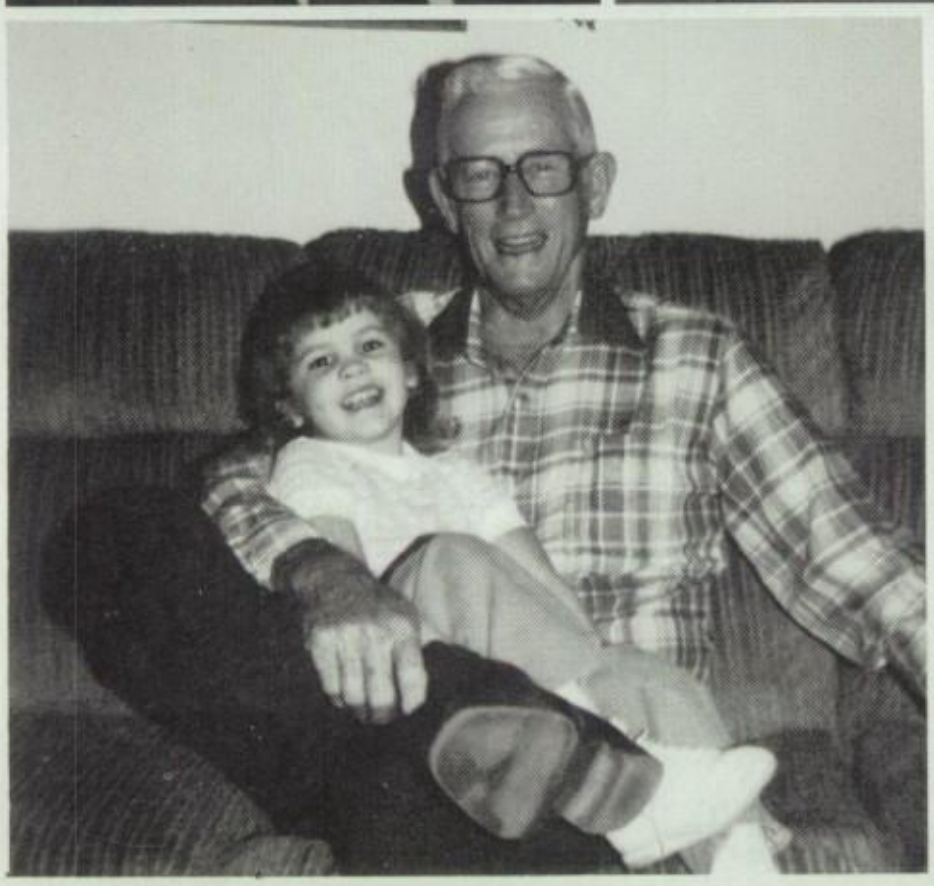
The 1985 Yearbook Staff Wishes To Dedicate Our Yearbook To . . .

1974-75 CHARLES BURNETT 1985-86

In Gratitude For Eleven Years Of Devotion







Mr. Charles Burnett, who has been in the field of education for 38 years, will be retiring at the end of the 1985-86 school year.

He served as Superintendent of Schools at Elmore City for 11 years, coached girls' basketball for 20 years, and is presently drivers' education instructor at Newcastle High School.

Mr. Burnett fulfilled every coach's dream while guiding his high school girls' basketball teams to 519 wins-89 losses, and a 47 game winning streak. He guided his basketball team to the State play-offs four times; winning one time, and placing runner-up another year.

He was one of the twelve founders of the Oklahoma Girls' Basketball Association and helped start the first All State Girls Team in 1964. He is a Charter member of the Association and served the Board of Directors for many years. He coached the Oklahoma All State Team in 1965. In 1974, he was named to the Coaches Hall of Fame and recognized by the Jim Thorpe Committee as one of "The All Time Greats of Oklahoma".

A high point in his career came in 1982, when he teamed with his eldest son in the All-Metro/All Star Game at Yukon. He was honorary Coach while his son, Billy coached the South team.

Mr. Burnett's many accomplishments and his constant dedication to coaching must have made an impression on his three sons; Billy, Benny, and Jerry. All three sons are coaching and striving to fulfill the dream inspired by their father.

Mr. Burnett plans to enjoy his retirement to the fullest. he plans to do some fishing; work (a little); take in the Newcastle sporting events; watch his sons coach basketball; and-most of all-spoil his granddaughter, who, grandpa says-*will* play basketball, of course!
